

Kit's Internet Safety Guide

Learning objective: To understand how to stay safe and kind when using the internet.

Hello! Kit the fox is here to help you learn how to be a safe digital explorer. Read each section carefully. Think about what you have learned in your computing lessons. Use the word bank at the bottom to help you fill in the boxes with your own ideas.

Word bank: Password · Private · Kind · Trusted adult · Report · Share · Personal

1. Keeping Secrets: Why should you keep your home address, school name, and phone number private? How do you protect this information? (2 marks)

2. Being Kind Online: If someone is unkind to you in a game or a chat, what should you do first? (2 marks)

3. Strong Passwords: Why is it important to have a secret password that only you know? What makes a password strong? (2 marks)

4. Asking for Help: Who is a trusted adult you can talk to if something makes you feel worried or upset while using the internet? (2 marks)

Extension challenge: Design a 'Safety Poster' for your classroom. Draw a picture of Kit the fox and write one important rule about staying safe online.
