

Kit's Internet Safety Mission

Learning objective: To understand how to stay safe and be kind when using the internet.

Read each question carefully. Use the word bank to help you complete the sentences. Look at the pictures of Kit the fox for extra clues!

Word bank: Private · Kind · Password · Adult · Report

1. Kit says your home address and school name are personal information. What word describes information that should be kept secret? (2 marks)

2. If you see something online that makes you feel sad or worried, who is the first person you should tell? (2 marks)

3. A secret code made of letters and numbers that protects your account is called a _____. (1 mark)

4. When talking to people online, why is it important to be polite and _____? (2 marks)

5. If someone is mean to you in a game, what button should you press to tell the website managers? (1 mark)

Draw: Draw a poster showing one rule for staying safe online. Include Kit the fox in your drawing!

Extension challenge: Write one sentence about why you should never share your password with your best friend.
