

Kitchen Safety with Max the Monkey

Learning objective: To understand the rules of food hygiene and how to keep a kitchen clean and safe.

Max the Monkey is getting ready to cook! Read each sentence below. Decide if the action is 'Safe' or 'Unsafe'. Write your answer in the box. If it is 'Unsafe', write one way to make it safe using the word bank.

Word bank: Wash hands · Fridge · Raw meat · Clean · Separate

1. 1. Touching your hair and then touching the bread. (Safe/Unsafe)

How to fix it: _____ (2 marks)

2. 2. Putting raw chicken on the same plate as the lettuce. (Safe/Unsafe)

How to fix it: _____ (2 marks)

3. 3. Keeping the milk and cheese in the fridge. (Safe/Unsafe)

How to fix it: _____ (2 marks)

4. 4. Scrubbing the kitchen table with soap before starting to cook. (Safe/Unsafe)

How to fix it: _____ (2 marks)

Draw: Draw a picture of Max the Monkey wearing a clean apron and washing his hands at the kitchen sink before he starts to cook.

Extension challenge: Max has a list of ingredients. Why should he keep the raw chicken away from the fruit? Write one sentence.
