

# Keeping Food Safe with Bea the Bee

*Learning objective: To identify and draw key hygiene rules for preparing food safely.*

Follow the steps below to complete your food hygiene poster. Use the word bank to help you label your drawing. You can colour your work when you are finished.

**Draw: Draw a bright, tidy kitchen scene. In the centre, draw Bea the Bee wearing a chef's hat and a clean apron. On one side, draw a sink with bubbles and a soap bottle. On the other side, draw a fridge door with a magnet on it. Include a pair of metal tongs resting on a clean plate. Use clear lines and bright colours.**

*Label words: Apron · Soap · Clean Hands · Fridge · Raw Meat · Tongs*

## Steps:

1. Step 1: Draw Bea wearing a clean apron. Label the apron.
2. Step 2: Draw a sink with soap and label the 'Clean Hands' area.
3. Step 3: Draw a fridge. Why do we keep food in a fridge? Write one short sentence.
4. Step 4: Draw a pair of tongs used to pick up food. Label the tongs.
