

How to Write a Brilliant Book Review

Be a Book Critic! Share your favourite stories with the world.

- **The Title:** Always write the name of the book clearly at the top so everyone knows what you are talking about.
- **The Summary:** Briefly explain what happens in the story without giving away the ending. Keep it a secret!
- **Your Opinion:** Did you love the story? Tell us why you enjoyed it or which part made you laugh the most.
- **Character Check:** Tell us who your favourite character was and why they were so interesting to read about.
- **The Recommendation:** Finish by saying who else should read this book. Is it perfect for someone who loves space, animals, or mystery?

Did you know? Did you know? Even famous authors read other people's books to find inspiration for their own stories! Sharing your thoughts helps your friends find their next great adventure.
