

Pip's Story Garden

Learning objective: To develop creative writing skills by using descriptive language and labelling parts of a story setting.

Colour in the picture and use your imagination to finish the sentences below. Think of exciting words to describe the garden!

Colour this: A large, friendly, smiling caterpillar named Pip wearing a tiny pair of glasses, sitting on a giant green leaf. Next to him is an open book with blank lines on the pages for writing. Around them are big, bold flowers with patterns on the petals, a friendly sun with a face in the top corner, and a few fluffy clouds. The lines should be clean and thick, perfect for colouring with crayons or felt tips.

Steps:

1. Label the caterpillar in your picture.
2. Label the magic book in your picture.
