

Ellie's Easter Storytime

Hop into Spring with Ellie the Elephant to discover the story of Easter!

- The Easter story is a very old story that has been told for many, many years.
- People celebrate Easter by showing kindness to their friends and families.
- Springtime means the weather gets warmer and the flowers start to bloom.
- Many people share special treats and cards to say 'Happy Easter' to those they love.
- Ellie the Elephant loves to remember this story because it teaches us to be hopeful and happy.

Did you know? Did you know? In many parts of the world, Easter is celebrated at the same time that Spring arrives. Just like a little seed growing into a flower, this time of year is all about new life and bright, happy colours!
