

Leo the Lion's Poetry Garden

Learning objective: To engage with poetry by exploring rhythm, rhyme, and creative expression through colouring.

Welcome to the Poetry Garden! Leo the Lion is sitting under a tree writing a poem. Colour in the scene and see if you can spot the rhyming objects hidden in the garden.

Colour this: A large, friendly cartoon lion named Leo sitting on a patch of grass under a big, leafy tree. Leo has a notepad and a pencil in his paws. Scattered around him on the grass are simple, bold-outlined illustrations of a flower, a shower (watering can), a cat, and a hat to represent rhyming pairs. The background includes a bright sun in the corner and a few fluffy clouds. The lines should be thick and clear for easy colouring by 3-5 year olds.

Steps:

1. Label the tree where Leo is sitting.
2. Label the book that Leo is writing in.
