

# Max and Zara's Vocabulary Adventure

*Learning objective: To build vocabulary by understanding synonyms, antonyms, and descriptive adjectives suitable for Year 1.*

Read the front of each flashcard to see a word. Try to think of a word that means the same thing (synonym) or the opposite (antonym) before checking the answer on the back.

|                                                                        |                                                                             |
|------------------------------------------------------------------------|-----------------------------------------------------------------------------|
| <b>Synonym for 'happy'</b>                                             | <b>Antonym for 'huge'</b>                                                   |
| cheerful                                                               | tiny                                                                        |
| <b>Synonym for 'fast'</b>                                              | <b>Antonym for 'bright'</b>                                                 |
| quick                                                                  | dark                                                                        |
| <b>Synonym for 'sad'</b>                                               | <b>Antonym for 'cold'</b>                                                   |
| unhappy                                                                | hot                                                                         |
| <b>Synonym for 'strong'</b>                                            | <b>Antonym for 'gentle'</b>                                                 |
| powerful                                                               | rough                                                                       |
| <b>Synonym for 'shiny'</b>                                             | <b>Antonym for 'brave'</b>                                                  |
| sparkly                                                                | scared                                                                      |
| <b>Max found a 'small' coin worth £1. What is a synonym for small?</b> | <b>Zara painted a 'beautiful' picture. What is a synonym for beautiful?</b> |
| little                                                                 | pretty                                                                      |
