

Rosa's Rainbow Colours

Learning objective: To learn and identify colours in French.

Read the sentences with Rosa the parrot. Look at the colours. Complete the sentences below using the word bank.

Hello! I am Rosa. I love bright colours. My feathers are beautiful. The sun is jaune. The sea is bleu. An apple is rouge. Grass is vert. A dark night sky is noir.

Word bank: rouge · bleu · jaune · vert · noir

1. The sun is yellow. In French, we say: Le soleil est _____. (1 mark)

2. The apple is red. In French, we say: La pomme est _____. (1 mark)

3. The grass is green. In French, we say: L'herbe est _____. (1 mark)

4. The sea is blue. In French, we say: La mer est _____. (1 mark)

Draw: Draw a picture of a parrot with a red wing, a blue tail, and a yellow beak. Label the colours in French.

Extension challenge: Can you find one more object in the classroom that is 'vert' (green) or 'rouge' (red)? Write the object name and the colour in French.
