

Rosa's Week of Fun: Days of the Week

Learning objective: To learn and recall the days of the week in French.

Help Rosa the parrot organise her busy week! Read the French word for each day and draw a picture to show what Rosa is doing on that day. Use the word bank to help you label your drawings.

Draw: Create a grid of 7 squares on your page. In each square, draw a simple scene of Rosa the parrot doing an activity. Use bright colours. Below each square, write the correct French day of the week from the word bank to label the drawing.

Label words: lundi · mardi · mercredi · jeudi · vendredi · samedi · dimanche
