

Ma Salle de Classe (My Classroom) with Rosa

Learning objective: To identify and label common classroom objects in French.

Follow the steps below to draw your classroom. Use the words in the word bank to label your picture in French. Rosa the parrot wants to see your colourful classroom!

Draw: Draw a bright and tidy classroom scene. Include a wooden table in the centre of the page with a chair tucked underneath. On top of the table, draw an open book and a small exercise book (cahier). Place a single pen (stylo) resting on the table. Use a clean, cartoon-style drawing with clear outlines so labels can be written next to each item.

Label words: le stylo · le livre · la chaise · la table · le cahier

Steps:

1. Step 1: Draw a large table and a chair. Label them using the words from the bank.
2. Step 2: Draw a book and a notebook on the table. Label them in French.
3. Step 3: Draw a pen next to the book. Label it 'le stylo'.
4. Step 4: Rosa is happy! Colour your drawing to make it bright.
