

Rosa's School Day Adventure (Ma Journée à l'École)

Learning objective: To identify and use common French vocabulary related to school subjects and classroom items.

Rosa the bilingual parrot is organising her school bag and timetable. Look at the word bank provided. For each question, match the English description to the correct French vocabulary word and write a short sentence in French using the target word.

Word bank: les mathématiques · l'anglais · l'art · le sport · le crayon · le cahier · la récréation

1. Rosa is using this to write in her exercise book. What is it in French? (2 marks)

2. Max the monkey loves this subject where he solves complex sums. What is it in French? (2 marks)

3. Zara the zebra is painting a picture. Which school subject is this? (2 marks)

4. It is time to run and play outside! What is the French word for break time? (2 marks)

5. Rosa needs this to keep her notes tidy. What is the French word for an exercise book? (2 marks)

Draw: Draw a picture of your own school bag, and label at least three items inside using the French vocabulary words from the list.

Extension challenge: Write a short paragraph in French describing your favourite school subject and why you like it. For example: 'J'aime l'art parce que c'est créatif.'
