

Rosa the Parrot's French Market Trip

Learning objective: To learn and identify French vocabulary for common items found at a market and their prices.

Rosa the parrot is at a French market. Look at the pictures of items below. Draw a line to match each French word to the correct picture. Then, write the price in the box using the information provided.

Word bank: une pomme (an apple) · un pain (a loaf of bread) · du chocolat (some chocolate) · un gâteau (a cake)

1. Match 'une pomme' to the picture of the apple. The apple costs £1. Write the price here: £ (2 marks)

2. Match 'un pain' to the picture of the bread. The bread costs £2. Write the price here: £ (2 marks)

3. Match 'du chocolat' to the picture of the chocolate. It costs £3. Write the price here: £ (2 marks)

4. Match 'un gâteau' to the picture of the cake. The cake costs £5. Write the price here: £ (2 marks)

Draw: Draw a basket. Inside the basket, draw one apple, one loaf of bread, and one cake. Label them with their French names from the word bank.

Extension challenge: Rosa wants to buy an apple (£1) and a cake (£5). How much does she spend in total? Write your answer in a full sentence: 'Rosa spends...'
