

Rosa's French Time Challenge

Learning objective: To tell the time in French using o'clock and half-past, and to recognise digital times.

Rosa the parrot is learning to tell the time! Look at the clocks below. Draw a line to match the French phrase to the correct time on the clock. Then, write the time in English in the boxes provided.

Word bank: Il est une heure (It is one o'clock) · Il est deux heures (It is two o'clock) · Il est trois heures et demie (It is half past three) · Il est quatre heures et demie (It is half past four)

1. Match 'Il est une heure' to a clock showing 1:00. What is the time in English? (2 marks)

2. Match 'Il est deux heures' to a clock showing 2:00. What is the time in English? (2 marks)

3. Match 'Il est trois heures et demie' to a clock showing 3:30. What is the time in English? (2 marks)

4. Match 'Il est quatre heures et demie' to a clock showing 4:30. What is the time in English? (2 marks)

Draw: Draw a large clock face showing the time 'Il est cinq heures' (5:00). Make sure the long hand is on the 12 and the short hand is on the 5.

Extension challenge: Rosa wants to know what time you go to bed! Can you write 'Il est...' followed by a number to say what time you go to sleep?
