

Rosa’s French Transport Word Mat

Learning objective: To learn and apply French vocabulary related to modes of transport, including genders and definite articles.

Key Vocabulary

Use this vocabulary mat to help you identify how people travel. Remember that in French, nouns have a gender. 'le' or 'un' for masculine words, and 'la' or 'une' for feminine words. Organise your learning into these three categories: Les véhicules terrestres (Land transport), Les véhicules aquatiques (Water transport), and Les véhicules aériens (Air transport).
