

Finn's Polar Adventure

Learning objective: To identify and describe the features of the Arctic and the Antarctic.

Finn the dolphin is exploring the cold polar regions. Look at the list of features below. Decide if each feature belongs to the Arctic (the North Pole) or the Antarctic (the South Pole). Write the correct region next to each feature. Use the word bank to help you.

Word bank: Arctic · Antarctic · North Pole · South Pole · Ocean · Land

1. 1. This region is mostly frozen ocean covered in sea ice: _____ (1 mark)

2. 2. This region is a large continent covered in thick ice sheets: _____ (1 mark)

3. 3. The area at the very top of the world: _____ (1 mark)

4. 4. The area at the very bottom of the world: _____ (1 mark)

5. 5. Which animal lives in the Arctic but not the Antarctic? (Hint: Think of a large white bear): _____ (1 mark)

Draw: Draw a picture of a polar landscape. Include a big iceberg and a snowy ground. Add a friendly animal like a seal or a penguin to your picture.

Extension challenge: Imagine you are visiting the polar regions. Write one sentence about what you would wear to stay warm. (Sentence starter: I would wear...)
