

Ellie's Bronze Age Report

Learning objective: To describe what life was like for people in Britain during the Bronze Age.

Use this writing frame to help you write a report about the Bronze Age. Look at the word bank for help with your sentences. Answer each question in the boxes below.

The Bronze Age was an exciting time in Britain when people first started to use metal to make their tools and weapons.

Word bank: Bronze · metal · tools · farming · settlements · roundhouses · copper · tin · firstly · also · because · in addition

1. What two metals were mixed together to make bronze? Start your sentence with: To make bronze, people had to mix... (2 marks)

2. Where did people live during the Bronze Age? Start your sentence with: People lived in homes called roundhouses which were made of... (2 marks)

3. What jobs did people do in the Bronze Age? Start your sentence with: Many people worked as farmers and they... (2 marks)

4. Why was bronze better than the stone tools used before? Start your sentence with: Bronze tools were better because... (2 marks)

Extension challenge: Can you draw a picture of a Bronze Age roundhouse below your writing? Label the materials used to build the walls and the roof.
