

Max's Time-Telling Flashcards

Learning objective: To read, write and convert time between analogue and digital 12-hour clocks.

Read the front of the card. Try to say the answer out loud. Then, flip the card (or look at the answer) to check if you are right. Ask a friend to help you practise!

What is the short hand on a clock called?

The hour hand.

What is the long hand on a clock called?

The minute hand.

If the minute hand is on the 3, what do we say?

Quarter past.

If the minute hand is on the 9, what do we say?

Quarter to.

If the minute hand is on the 6, what do we say?

Half past.

How many minutes are in one hour?

60 minutes.

How many hours are in one whole day?

24 hours.

Write 3:15 in words.

Quarter past three.

Write 4:45 in words.

Quarter to five.

What do we call 12:00 at night?

Midnight.

What do we call 12:00 in the day?

Midday (or Noon).

Max starts his maths at 9:00. He finishes at 10:00. How long did it take?

One hour.
