

Max's Musical Pitch Adventure

Learning objective: To understand that pitch is how high or low a sound is.

Max the monkey is exploring sounds! Use the word bank to help you answer these questions. Look at the pictures to help you think about pitch.

Word bank: Pitch · High · Low · Sound · Vibration

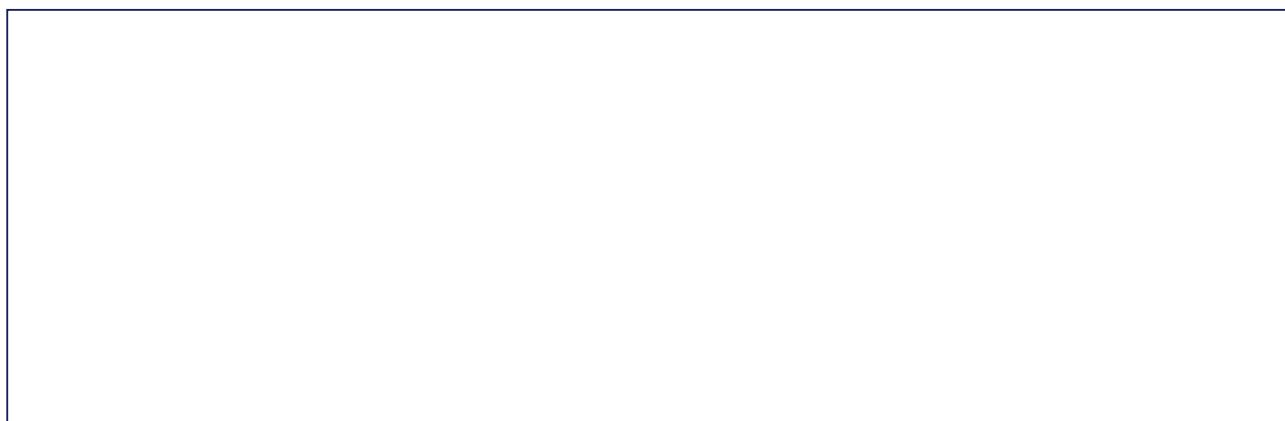

1. Max hits a tiny, small bell. Does the bell make a high sound or a low sound? (1 mark)

2. Max bangs on a big, heavy drum. Does the drum make a high sound or a low sound? (1 mark)

3. What do we call the word for how high or low a sound is? (1 mark)

4. Complete the sentence: A tiny bird makes a _____ sound, and a big bear makes a _____ sound. (2 marks)

Draw: Draw a picture of a small, high-pitched whistle and a large, low-pitched tuba. Label which one is 'High' and which one is 'Low'.

Extension challenge: If you had a very long piece of string, would it make a deeper sound than a very short piece of string? Tell Max what you think.
