

Max's Rhythm Flashcards

Learning objective: To understand and identify basic rhythmic patterns and musical notation terms.

Read the front of each card. Try to guess the answer before looking at the back! Max the monkey is here to help you learn about beats.

What is the steady, repeating heartbeat of a piece of music?	What do we call the speed of the music (fast or slow)?
Pulse	Tempo
What is the pattern of long and short sounds in music?	How many beats does a Crotchet note have?
Rhythm	One beat
How many beats does a Minim note have?	How many beats does a Semibreve note have?
Two beats	Four beats
What is a 'Rest' in music?	What is a section of music divided by lines called?
A moment of silence	A bar
If a rhythm repeats over and over, what is it called?	Which note is worth the most beats: Crotchet, Minim, or Semibreve?
A pattern	Semibreve
