

Max's Musical Singing Flashcards

Learning objective: To understand key singing terms and techniques for Year 4 music.

Look at the front of the card. Read the question. Think about the answer. Then, check the back of the card. Use the word bank to help you.

What do we call the way we stand when we sing to help our voice?	What do we call how high or low a note sounds?
Posture	Pitch
What do we need to control to sing long, smooth phrases?	What do we call the patterns of long and short sounds in music?
Breath	Rhythm
What is the word for how loud or quiet the music is?	What is the word for how fast or slow the music is?
Dynamics	Tempo
What parts inside your throat vibrate to make sound?	What do we call it when everyone sings the same notes at the same time?
Vocal cords	Unison
What do we call it when we sing different notes that sound nice together?	What do we do before singing to get our voices ready?
Harmony	Warm-up
