

World Music Adventure with Finn

Learning objective: To identify and draw musical instruments from different parts of the world.

Finn the dolphin is travelling the world to hear new music. Look at the instruments below. Follow the steps to draw your own world music scene.

Draw: Draw a bright, colourful scene featuring a Djembe drum (a goblet-shaped drum) and a thin Bamboo flute. Include wavy lines in the air to show the sound moving. Make the background look like a beach or a forest where Finn might be listening to music.

Label words: Djembe drum · Steel pan · Sitar · Bamboo flute · Rhythm · Music

Steps:

1. Step 1: Draw a large Djembe drum in the middle of your page. What shape is the top of the drum?
2. Step 2: Draw a Bamboo flute next to the drum. Does a flute make sound by blowing or hitting?
3. Step 3: Label your drawing using words from the word bank.
4. Step 4: Draw some musical notes floating in the air to show the rhythm.
