

Max's Outdoor Adventure Challenge

Learning objective: To sort and sequence essential items needed for a safe and successful outdoor adventure in the British countryside.

Max the monkey is planning a hike in the woods! He needs to pack his bag carefully. Look at the list of items below. Decide if each item is a 'Must Pack' (essential for safety and comfort) or a 'Leave Behind' (not needed for this short hike). Write your answer in the box.

Word bank: Water bottle · Map · Heavy trophy · Waterproof jacket · Packet of crisps · Sun hat · Toy car · First aid kit

1. 1. Water bottle: Should Max pack this? Why? (2 marks)

2. 2. Heavy trophy: Should Max pack this? Why? (2 marks)

3. 3. Waterproof jacket: Should Max pack this? Why? (2 marks)

4. 4. Toy car: Should Max pack this? Why? (2 marks)

Draw: Draw Max the monkey wearing his outdoor gear. Draw three things he has packed in his backpack.

Extension challenge: Max has £10 to spend on snacks for his trip. If an apple costs 50p and a bottle of water costs £1.00, how many of each can he buy to stay under his £10 budget?
