

Making Friends with Pip and Zara

Be a Kind Friend, Be a Bright Star!

- A good friend listens carefully when someone else is speaking.
- We can show kindness by sharing our things with others.
- Taking turns helps everyone have a fair and happy playtime.
- If a friend is sad, a gentle smile or a kind word can help them feel better.
- Asking, 'Would you like to play with me?' is a great way to start a new friendship.

Did you know? Did you know that Pip the caterpillar and Zara the zebra always feel happier when they share their toys? Being a good friend is like planting a seed; when you are kind, your friendship grows taller every single day!
