- Christians believe in the Trinity, which represents God as three persons in one: God the Father, Jesus the Son, and the Holy Spirit.
- The Bible is the sacred text of Christianity, divided into the Old Testament and the New Testament, which contains the stories of Jesus' life.
- Jesus taught through parables, which are short, clever stories designed to illustrate a moral lesson or a spiritual truth about how to treat others.
- Christian worship often takes place in a church, where communities gather to pray, sing hymns, and listen to readings from scripture.
- Major festivals such as Christmas, celebrating the birth of Jesus, and Easter, celebrating the resurrection, are central to the Christian calendar.
