Special Places to Visit: Our Community

Join Pip and Ellie on a journey to discover special places where people gather together!

- **A church is a special place where many people go to sing songs and hear stories.**
- **A mosque is a peaceful place where people gather to pray and show love for their community.**
- **A synagogue is a place where people read special scrolls and celebrate their history together.**
- **In a temple, people often light lamps and share quiet moments of reflection.**
- **When we visit a special place, we show respect by using quiet voices and being gentle.**

Did you know? Did you know? All over the world, people have special buildings where they go to say thank you, share stories, and learn how to be kind to one another. Even if the buildings look different on the outside, they are all special places of peace inside!
