

Rosa's Animal Fact-File: Spanish Edition

Learning objective: To use basic Spanish vocabulary to describe animals and their colours.

Help Rosa the parrot learn about animals! Use the word bank to fill in the boxes below. You can write your answers in English or Spanish as you learn. Use the sentence starters to help you.

Word bank: el perro (dog) · el gato (cat) · el conejo (rabbit) · rojo (red) · azul (blue) · verde (green) · blanco (white) · negro (black) · grande (big) · pequeño (small)

1. Animal Name: Write the name of the animal in Spanish and English. (Example: El perro is a dog) (2 marks)

2. Colour: What colour is the animal? Use the sentence starter: El animal es... (2 marks)

3. Size: Is the animal big or small? Use the sentence starter: El animal es... (2 marks)

4. Fact: Write one simple thing the animal can do (e.g., jump, run, sleep). (2 marks)

Extension challenge: Can you draw your animal in the box below and label its colours in Spanish?
