

Rosa's Weekly Spanish Calendar

Learning objective: To learn and use the Spanish names for the days of the week.

Help Rosa the parrot organise her busy week! Follow the steps below to draw and label your own Spanish calendar. Use the word bank to help you spell the names correctly.

Draw: Draw a colourful weekly planner across the page. Create seven rectangular boxes. Inside each box, write the Spanish name for the day. Above each box, draw a small icon to show what you like to do on that day (for example: a book for reading, a ball for playing, or a bed for resting). Make it bright and cheerful!

Label words: lunes · martes · miércoles · jueves · viernes · sábado · domingo

Steps:

1. Step 1: Draw seven boxes in a row. Write 'lunes' in the first box and 'martes' in the second box.
2. Step 2: Write 'miércoles', 'jueves', and 'viernes' in the next three boxes.
3. Step 3: Write 'sábado' and 'domingo' in the final two boxes.
4. Step 4: Draw a picture of a sun above 'lunes' and a picture of a star above 'domingo'.
