Rosa’s Spanish Number Adventure

Learning objective: To recall and use numbers 1-20 in Spanish and apply them to simple currency calculations.

Use these flashcards to practise your Spanish numbers. Rosa the parrot wants you to master these before you visit the Spanish market! Read the front, guess the back, then check your answer.

What is the number 1 in Spanish?	**How do you say 5 in Spanish?**
uno	cinco
Translate the number 10 into Spanish.	**What is the number 15 in Spanish?**
