

Sheet 5: Counting in 5s

Worked example:

Max counts his 5 bananas: 5, 10, 15, 20.

Answer: Next is 25!

- Help Max count the monkey treats. Fill in the missing numbers: 5, 10, 15, ____, 25.
- Complete the sequence: 20, 25, 30, ____, 40.
- Count by 5s to finish the pattern: 30, 35, 40, 45, ____.
- Max has some 5p coins. Write the total as you count them: 5p, 10p, 15p, 20p, 25p, 30p, 35p, 40p, 45p, ____p.
- Circle the number that comes next: 10, 15, 20, (22, 25, 26).

22 25 26

Self-check: Check your answers by counting out loud: 5, 10, 15, 20, 25, 30, 35, 40, 45, 50.

Ready for next: You are ready for the next sheet when you can count in 5s all the way to 50 without stopping.
