

Kit's Cyber-Safety Challenge

Learning objective: To understand the importance of strong passwords, private information, and identifying safe online behavior.

Help Kit the fox keep his digital forest account safe! Read each question carefully and circle the best answer.

Answer Key: 1.C, 2.True, 3.False, 4.A, 5.Password, 6.False, 7.A, 8.True, 9.B, 10.True

Word bank: Password · Private · Secure · Cybersecurity · Phishing · Stranger · Encryption

1. 1. Kit wants to create a strong password. Which is the best choice? A) 123456, B) Kit123, C) Blue-Fox-99-Star*, D) password (1 mark)

2. 2. True or False: You should never share your home address or school name with people you meet online. (1 mark)

3. 3. True or False: It is okay to click on a link in an email that says you have won a prize from a person you don't know. (1 mark)

4. 4. What is a 'secure' password? A) One that is long and uses a mix of letters, numbers, and symbols, B) Your pet's name, C) Your birthday, D) The word 'password' (1 mark)

5. 5. What do we call the secret code you use to protect your digital accounts? (1-word answer) (1 mark)

6. 6. True or False: If you see something online that makes you feel worried or uncomfortable, you should keep it a secret. (1 mark)

7. 7. Which of these is an example of private information? A) Your home address, B) Your favorite color, C) Your favorite book, D) The type of fruit you like. (1 mark)

8. 8. True or False: Cybersecurity helps protect our computers and tablets from harmful software. (1 mark)

9. 9. If someone online asks to meet you in person, what should you do? A) Tell them where you live, B) Tell a trusted adult immediately, C) Go to the meeting, D) Ask your friends to come too. (1 mark)

10. 10. True or False: Using the same password for every single account makes your information less safe. (1 mark)

Draw: Draw a 'Digital Shield' that protects a computer. Include symbols of things that make a password strong, like a star, a number, and a special character.

Extension challenge: Imagine you are Kit the fox. Write a short 'Top 3 Tips' poster to explain to younger students how to stay safe when using a tablet or computer.
