

Adventures with Adverbs

Learning objective: To identify and use adverbs to describe how an action is performed.

Read the story about Max the monkey below. Find the adverbs that describe how he is moving and solving his math puzzles, then answer the questions.

Max the monkey sat in the tall tree. He looked at his math puzzle and started to work carefully. He wanted to get the answer right! Suddenly, a bright butterfly flew past. Max jumped quickly to catch a glimpse of it. He hummed a little tune happily while he worked. When he finally solved the sum, he cheered loudly for all his friends to hear. Max enjoyed his morning of learning.
