

Book Review: Pip's Favorite Story

Learning objective: To write a clear book review by expressing personal opinions about a story and giving reasons.

Read the review below written by Pip the caterpillar. Then, answer the questions to show what you think about the book and why.

I have just finished reading a book called 'The Starry Night Quest' by an owl named Nova. In this story, Nova flies across the sky to find out why the moon changes shape. My favorite part is when Nova uses a telescope to count the twinkling stars. The main character, Nova, is very brave and curious. I think this book is exciting because I learned new facts about space. I would recommend this book to anyone who loves to ask big questions about the world. It is a wonderful story!
