Title: The Brave Little Seed. I have just finished reading 'The Brave Little Seed'. It is a story about a tiny seed that wants to grow into a tall sunflower. My favorite character is the seed because it never gives up, even when the weather is stormy! The setting is a beautiful, colorful garden. The best part of the book is when the sun finally comes out and the seed begins to sprout. I would recommend this book to anyone who likes stories about nature. It is a very heart-warming book that made me feel happy.
