

Max and Zara's Creative Writing Adventure

Unleash your imagination and let your stories soar!

- **A good story needs a setting. Can you describe where your story takes place using two exciting adjectives?**
- **Every character needs a goal. What is your main character trying to find or achieve in their adventure?**
- **Use strong verbs to show action! Instead of saying 'he walked', try using words like 'strolled', 'dashed', or 'crept'.**
- **Think about your senses. Can you write a sentence about what your character can hear or smell in the scene?**
- **Remember to use a capital letter at the start of every sentence and a full stop to finish your thought.**

Did you know? Did you know? Even the best authors started by writing down just one small idea. Whether it is a story about a monkey who solves math puzzles or a zebra who paints the stars, every great tale begins with a single 'What if?' question!
