

Springtime Adventures with Pip and Ellie

Learning objective: To understand the themes of new life, spring, and the Easter story through reflection and descriptive language.

Read the questions carefully and think about how Pip the caterpillar and Ellie the elephant might answer. Use your best handwriting to write your answers on the lines provided.

In the garden, Pip the caterpillar is watching the first flowers bloom. Ellie the elephant remembers that Easter is a special time for stories about new beginnings, helping others, and showing kindness to our friends. Together, they look at the bright colors of the garden and talk about why this season makes everyone feel happy.
