

Max's Magical Metaphors and Similes

Learning objective: To identify and create similes and metaphors to describe people, objects, and feelings.

Max the monkey is helping his friends describe the world around them. A simile compares two things using 'like' or 'as' (e.g., as brave as a lion). A metaphor says one thing IS another thing to describe it (e.g., the stars are diamonds in the night sky). Read the sentences below and decide if they are a Simile or a Metaphor. Then, complete the challenge in the questions section.
