

Painting with Words: A Figurative Language Writing Frame

Learning objective: To use similes and personification to create descriptive sentences for a story setting.

Use the prompts below to help you write a descriptive paragraph about a magical woodland. Remember to use similes (comparing things using 'like' or 'as') and personification (giving objects human qualities) to bring your writing to life.

As Pip the caterpillar crawled into the Ancient Grove, the trees seemed to lean in and whisper secrets to the wind.
