

Max's Math Store: Writing Descriptions

Learning objective: To use adjectives and conjunctions to write descriptive sentences about objects.

Max the monkey has opened a store. Look at the items he is selling and use the prompts below to write sentences describing them. Remember to use capital letters and full stops.

Max has a very special store full of interesting things.

Word bank: big · small · shiny · bright · and · but · because · colorful · heavy · soft

1. Describe the shiny toy robot: The robot is... (2 marks)

2. Describe the soft, blue teddy bear: The teddy bear is... (2 marks)

3. Write a sentence using 'and' to describe two things in the store: I can see... (2 marks)

4. Write a sentence using 'but' about a toy: The ball is... (2 marks)

5. Choose your favorite item. Why do you like it? I like the... (2 marks)

Extension challenge: Can you add a price tag to your toy using £? For example: 'The robot costs £5'.
