

Max the Monkey's Recipe for a Fruit Salad

Learning objective: To write and illustrate a clear set of instructions using imperative verbs and sequential language.

Max the Monkey is making a healthy snack! Look at the steps below and draw the fruit salad being made in the correct order. Use the word bank to help you label your drawing.

Draw: Draw a bright, colorful scene in a kitchen. On the left side, show a banana being peeled. In the middle, show strawberries being sliced. On the right side, show a large mixing bowl full of colorful fruit with a spoon inside. The style should be clean, friendly, and easy for a 5-6 year old to copy.

Label words: bowl · slice · peel · mix · fruit · spoon

Steps:

1. Step 1: Draw a banana being peeled and label it.
2. Step 2: Draw the strawberries being sliced.
3. Step 3: Draw all the fruit inside a big bowl.
4. Step 4: Draw a spoon mixing the fruit salad.
5. Which word in the instructions tells you what to do to the banana? Write it here.
