

Help Kit the Fox Make a Fruit Salad

Learning objective: To understand and follow a set of simple instructions by drawing a sequence of events.

Look at the steps below. Follow the instructions to draw your own fruit salad in the space provided. Use the word bank to help you label your picture.

Draw: Create a large, colorful bowl in the center of the page. Inside the bowl, draw one red apple cut into slices and a yellow banana chopped into circles. Add a silver spoon resting against the side of the bowl. Ensure the style is bright, cheerful, and clear for a 3-5 year old to identify.

Label words: bowl · apple · banana · spoon · yummy

Steps:

1. Step 1: Draw a big bowl in the middle of your page.
2. Step 2: Draw a slice of apple inside the bowl.
3. Step 3: Draw a piece of banana next to the apple.
4. Step 4: Draw a spoon sitting inside the bowl.
5. Label your favorite piece of fruit in your drawing using a word from the word bank.
