

Max the Monkey's Recipe for a Fruit Salad

Learning objective: To use imperative verbs and sequencing language to write a set of instructions.

Help Max the Monkey create his favorite snack! Read the steps and fill in the missing actions using the word bank to show how to make a healthy fruit salad. Remember to use 'bossy' verbs like 'wash', 'chop', and 'mix'.

Word bank: wash · chop · peel · mix · pour · eat · first · next · then · finally

1. Preparation: What do you need to do to the fruit before you use it? (Remember to use a bossy verb!) (2 marks)

2. Step 1: Write what you do first to get the fruit ready for the bowl. (2 marks)

3. Step 2: What do you do next to combine all the pieces of fruit? (2 marks)

4. Step 3: What is the final thing you do to finish the snack? (2 marks)

5. Review: Why is it important to wash your hands before you help make a snack? (2 marks)

Extension challenge: Can you add a price tag to your fruit salad? If the apples cost £1 and the bananas cost £1, how much would they cost altogether?
