

Leo's Poetry Garden

Learning objective: To identify and explore the features of a poem while engaging in creative expression.

Read the fun facts about poetry, then color in the scene. Use your best colors to bring the garden to life!

Colour this: A friendly lion named Leo sitting under a large, leafy oak tree in a sunny garden. Leo is wearing a small waistcoat and holding a scroll of parchment with a quill pen. Surrounding him are several large, colorful flowers with petals shaped like musical notes or stars. One flower has the word 'RHYME' written on a leaf. There is a small butterfly hovering near his nose. The lines should be bold and clear for coloring, with plenty of white space for children to add their own patterns.

Steps:

1. Label the 'Rhyming Flower' in your picture.
2. Label the 'Poetry Scroll' that Leo is holding.
