

# Sentence Superstars: Kindergarten Grammar Flashcards

*Learning objective: To identify and use capital letters, full stops, and basic sentence structure according to the Kindergarten ELA curriculum.*

Read the front of the card to see the grammar challenge. Check the back of the card to see if you are correct! You can play this with a partner or practice on your own.

|                                                                                                                   |                                                                                                       |
|-------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| <b>What do we always use at the very start of a sentence?</b>                                                     | <b>What do we put at the very end of a sentence to show it is finished?</b>                           |
| A capital letter.                                                                                                 | A full stop.                                                                                          |
| <b>Max the monkey is writing a sentence. What should he put between his words so they do not squish together?</b> | <b>True or False: A sentence must make sense on its own.</b>                                          |
| Finger spaces.                                                                                                    | True.                                                                                                 |
| <b>Which of these is a sentence? A) The cat. B) The cat sat on the mat.</b>                                       | <b>Pip the caterpillar wrote: 'the sun is hot'. What is missing at the start?</b>                     |
| B) The cat sat on the mat.                                                                                        | A capital letter (The).                                                                               |
| <b>Add a full stop to this sentence: 'Leo the lion roared'</b>                                                    | <b>Zara the zebra is writing a list of colors. Does she need a full stop after every single word?</b> |
| Leo the lion roared.                                                                                              | No, only at the end of the sentence.                                                                  |
| <b>What is a 'noun'?</b>                                                                                          | <b>What is a 'verb'?</b>                                                                              |
| A naming word for a person, place, or thing.                                                                      | An action word (like jump, run, or eat).                                                              |
| <b>Fix this sentence: 'nova looks at stars'</b>                                                                   | <b>How many capital letters should be in this sentence: 'Finn the dolphin swims in the sea.'</b>      |
| Nova looks at stars.                                                                                              | One (at the start of the sentence).                                                                   |
