

Pip's Magnificent Word Garden

Learning objective: To identify and use descriptive vocabulary to label items in a scene.

Help Pip the bookworm caterpillar tend to the word garden! Color in the scene and use the labels provided to name the special things growing in the garden. Can you add your own creative adjectives to describe the plants?

Colour this: A cheerful cartoon scene featuring Pip the caterpillar, who has a tiny green body, large friendly eyes, and is wearing a small paper hat. Pip is sitting on a large, smooth garden stone. Around Pip are several tall, whimsical flowers with petals shaped like open book pages. To the left, there is a large 'shimmering' leaf with sparkle patterns drawn on it. To the right, there is a 'bouncing' ball with colorful polka dots. The background features a gentle sun with a smile and a few fluffy clouds. Use bold, clear outlines suitable for coloring.

Steps:

1. Label the 'shimmering' leaf in the picture.

2. Label the 'bouncing' ball near Pip.
