

Rosa's French Wardrobe Fact-File

Learning objective: To identify and use French vocabulary for items of clothing, including articles (un, une, des) and adjectives of color.

Rosa the parrot is helping us learn how to describe our outfits in French! Use the word bank to fill out this fact-file. Remember to check if the clothing item is masculine (un) or feminine (une) when choosing your words. If you are describing more than one item, remember to use 'des'.
