

Rosa's French Calendar Challenge

Learning objective: To learn and apply the names of the twelve months of the year in French.

Rosa the parrot is helping us learn the French months! Read the word bank carefully, then use your knowledge to complete the challenges below. Remember, in French, months do not start with a capital letter unless they are at the start of a sentence.

Word bank: janvier · février · mars · avril · mai · juin · juillet · août · septembre · octobre · novembre · décembre

1. Rosa is planning her birthday party. Her birthday is in the month of 'juin'. Which month is this in English? (1 mark)

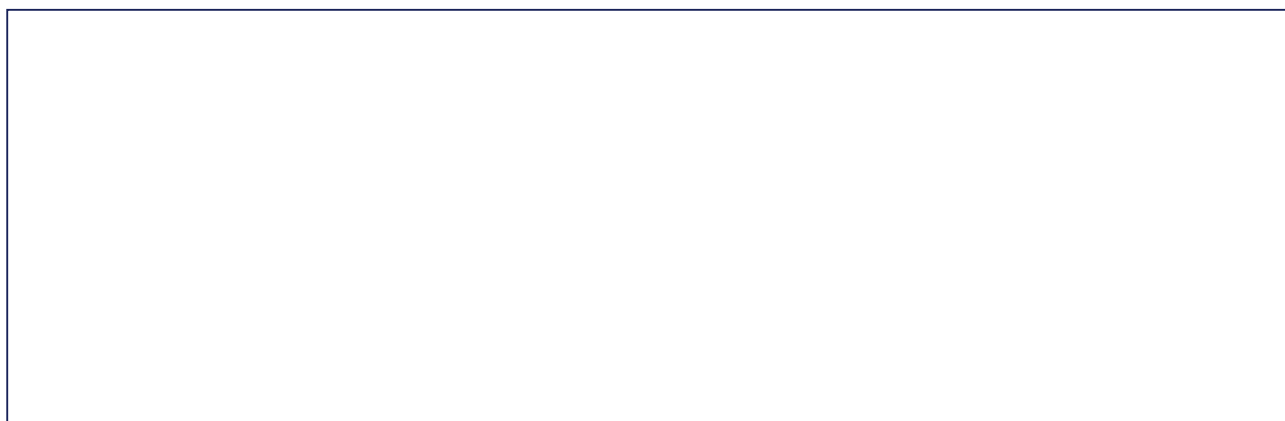

2. Write the French word for the month that comes immediately after 'septembre'. (1 mark)

3. If Max the monkey saves £5 each month for four months starting in 'janvier', which month will he reach his goal in? Write your answer in French. (2 marks)

4. Look at the word bank and identify two months that sound very similar to their English names. (2 marks)

5. Fill in the gap: 'Mon anniversaire est en _____. ' (Choose your birth month and write it in French). (1 mark)

Draw: Draw a picture of a tree that changes through the seasons. Label the branches with four different French months to show when the tree looks different.

Extension challenge: Write a short sentence in French describing your favorite month and why you like it, using the phrase 'J'aime...' (e.g., 'J'aime mai car il y a des fleurs').
