

Rosa's Seasonal Celebration Challenge

Learning objective: To learn and sequence the twelve months of the year in French and understand their spelling and order.

Rosa the parrot is preparing her calendar for the year! Use the word bank to help Rosa place the months in the correct order. Fill in the gaps in the calendar list provided below. Note: In French, months do not start with a capital letter unless they are at the start of a sentence.

Word bank: janvier · février · mars · avril · mai · juin · juillet · août · septembre · octobre · novembre · décembre

1. 1. First month: Le premier mois est _____. (1 mark)

2. 2. Spring months: Can you list the three months of spring (mars, avril, mai) in order? (3 marks)

3. 3. Summer break: Rosa goes on holiday in 'juillet' and 'août'. Which English months are these? (2 marks)

4. 4. Birthday challenge: Write your birth month in French. If you don't know it, ask a partner or use the word bank to find it. (1 mark)

5. 5. Sequencing: What comes after 'septembre'? What comes before 'décembre'? (2 marks)

Draw: Draw a circular calendar divided into four sections (one for each season). In each section, write the names of the three French months that belong to that season and draw a small picture to represent the weather for those months.

Extension challenge: Choose your favorite month of the year. Write a sentence in French explaining why you like it, for example: 'J'aime le mois de [month] parce que...' (I like the month of... because...).
