

Rosa's French Transport Fact-File

Learning objective: To use French vocabulary to describe different modes of transport and express personal preferences.

Rosa the parrot wants to help you learn how to travel in French! Fill in this fact-file to show off your new language skills. Use the word bank to help you spell your transport words correctly, and remember to use 'Je vais en...' (I go by...) when writing your sentences.

Word bank: le train · le bus · la voiture · le vélo · l'avion · le bateau · rapide · lent · amusant · préféré

1. Mes favoris (My favorites): Write down three different modes of transport in French and translate them into English. (3 marks)

2. Voyage idéal (Ideal journey): Choose one mode of transport and write a sentence in French explaining how you travel to school, e.g., 'Je vais à l'école en...'. (2 marks)

3. Description: Describe your chosen mode of transport using one French adjective from the word bank (e.g., 'Le train est rapide'). (2 marks)

4. Pourquoi? (Why?): Explain in English why you like this mode of transport best. Is it fast, or does it help you see the world? (2 marks)

5. Conversation: Write a question you could ask a friend in French to find out how they travel, for example: 'Comment vas-tu à...?' (2 marks)

Extension challenge: Can you add a sentence explaining one mode of transport you do not like, using the phrase 'Je n'aime pas...'?
